

Stories About Change

We are living through a moment of great change. In this category, we're calling for writing which responds to this moment of change and crisis. Pieces may address issues like family life, community, unity or isolation.

This category is looking for prose pieces of up to 750 words, and poems of up to 30 lines. You may include up to three poems in a submission. You may include up to three prose pieces, as long as your combined word count does not exceed 750.

We are accepting: poetry, non-fiction and creative non-fiction, nature writing, memoir, spoken word and performance poetry, scripts, short stories, flash fiction, excerpts from longer works (if they can be understood as standalone pieces), anecdotes, prose poetry, film poetry, hybrid pieces, and personal essays.
